EFFECTIVE DATE:	28/02/2011
REASON FOR DISCONTINUATION:	As listed below

To whom it may concern

We have published a list of NAPPI codes that will be discontinued as a result of the Range Implementation Project on 28 February 2011.

To access the list, please click on the URL below:

www.medikredit.co.za/index.php?option=com_content&view=article&id=94&Itemid=122

Reasons for discontinuation:

- Suppliers that have closed down
- No valid contact details for suppliers despite engaging various organizations such as the hospital groups and SAMED and consulting resources such as the internet and the yellow pages
- No feedback during the Range Project from suppliers despite numerous follow-up attempts by MediKredit

Should any of these codes be actively used by your organization, please contact the supplier to engage with MediKredit before the discontinuation of the NAPPI codes.

We would like to take this opportunity to thank all parties that assisted with the Range Implementation Project.

For any queries please contact Annelize Basson on 011 770 6028 or email annelizeb@medikredit.co.za
