

# MediKredit NAPPI Changes and Information

**Circular Number:** N026/2011  
**Circular Date:** 25 October 2011  
**Effective Date:** 26 October 2011

## Important notice

Emend combi pack was incorrectly captured with a dosage form capsules and pack size 3 capsules. The product is a kit, a pack that will not be broken, consisting of 3 capsules of different strengths (1x125mg & 2x80mg).

MediKredit in collaboration with the Supplier has allocated a new NAPPI code to this product to correct the pack size to 1 kit.

The old NAPPI code will be discontinued as a duplicate of the new NAPPI code and will be non-claimable.

DOH has approved this amendment effective 26 October 2011
