

MediKredit NAPPI Changes and Information

Circular Number: N018/2012
Circular Date: 21 December 2012
Effective Date: 21 December 2012

Important notice

MediKredit, in collaboration with the Supplier, has allocated new NAPPI codes to the products below as they were previously allocated surgical NAPPI codes instead of ethical NAPPI codes.

The DOH has approved the SEP of these products effective 21 December 2012.

The old NAPPI codes will be discontinued on 15 January 2013 to ensure a seamless transition to the new codes.

For billing purposes, you may use the new NAPPI codes with immediate effect.

Please refer to the table below for the detail of the changes.
